500 POUNDS

Weight of Woman Buried In Glendale This Afternoon.

Resided In Barberton, and Leaves a Husband and Several Children ---Died Sunday.

Autopsy Held Monday Shows Death Was Due to "Excessive Fat"—The Largest Woman In Ohio.

This afternoon, in Glendale cemetery, there was interred the body of Mrs. Elizabeth Thomas, aged 39 years, of Barberton, who was undoubtedly the biggest woman in Ohio, and few larger have been heard of in this country.

Mrs. Thomas weighed 500 pounds. In stature, however, she was short, being only five feet, six inches tall. The casket in which the body of Mrs. Thomas was placed was six feet long and three feet wide. It was necessary to place iron handles on the casket, that it might be carried safely.

AUTOPSY HELD.

Mrs. Thomas died Sunday, and a post mortem examination was held Monday. Although her health had not been good, no direct cause for sickness could be found. She was attended by Dr. Fred Labmers, of Barberton, at whose request the autopsy was held. There were 10 physicians present during the examination of the

body, among them being physicians from Akron, Barberton, Johnsons Corners and Doylestown. Their verdict was that death was due wholly to excessive fat. It was found that not a single organ was diseased.

SMALL FIVE YEARS AGO.

Mrs. Thomas, until five years ago, was a small woman. At that time her weight began to increase, and continued to do so until shortly before her death. When last weighed, some months ago, her weight was nearly 450 pounds, and since then it increased steadily, becoming more and more a burden to the woman.

She with her husband, Mr. John T. Thomas came to Barberton several years ago. She is survived by husband and several children. Their home is at 25 National ave. Mr. Thomas is an employee of the Stirling Boiler Co. On several occasions Mrs. Thomas underwent examinations for tumors and dropsy, but no such troubles could be located.

REVOLVER

Handy at the Post Office--- There's No Danger of Any Loss.

The Postoffice Department has issued the following general instructions to postmasters throughout the country regarding the care of government funds and stamp supplies:

Postmasters are required to exercise the greatest care and give the best possible protection to government funds and stamp supplies in their custody.

During business hours money, postage stamps, etc., must be kept so as to be inaccessible to the public and concealed from view. If the postoffice when unoccupied is not such a safe place as to warrant the postmaster in leaving his personal funds therein, all government moneys, postage stamps, etc., must be removed there-

from to a place of the greatest safety.

The law provides that a postmaster may deposit his funds in a national bank if there be one in his town, city, or county. If, however, there be no national bank so located, and a private bank be accessible, there will be no objection to a postmaster placing his government funds, postage stamps, etc., therein; provided, that they be placed in a private receptacle, as his official property, and subject to his exclusive control, and that this be done of his own risk and expense.

When the above was submitted to Postmaster L. S. Ehlright, he said: There is no necessity for such an order being sent to this office. We have always kept our cash and stamps in the vault and there is a revolver right at hand in the office of the deputy postmaster in case of emergency.

WILL ASK WHY?

Attorney A. J. Wilhelm
After Information.

Declares That Policemen Are Too Discriminating.

Attorney A. J. Wilhelm promises to make things lively when the case of Bessie Ross, charged with violating the screen ordinance at her saloon in the South End, is called in Police court, Thursday. She was arrested by Policeman Joseph Wilson a brother of "Salty" Wilson and City Commissioner Wilson, Sunday morning.

"I propose to find out," said Mr. Wilhelm, Wednesday, why a poor woman is arrested on a mere technical charge when it is notoriously true that more influential saloonkeepers do a landoffice business on Sunday, with poker joints and all. The Ross woman is not guilty, and I can prove it."

DEATH

Claimed One of Green's Oldest Inhabitants.

(Special Correspondence)

Inland, April 16.—L. B. Rohrer, one of Green township's most respected and most prosperous farmer citizens, died last Thursday night, after a week's illness of pneumonia. He was at the time of his death a township trustee, member of Board of Education and president of Green and Franklin Farmers' Institute society. Funeral services were held in Evangelical church Sunday. They were attended by almost one thousand people. He leaves a wife and eleven children.

The Board of Education met yesterday and voted to build a school house at Autman and vacate school house in No. 6, and open a road from present school site east to the Canton and Akron road. They voted down the resolution to build a new school house in Greensburg district, which has been condemned by the state inspector. The clerk was instructed to correspond with the state inspector with a view of getting a permit to use the old house another year, with the object in view of erecting a building that will meet the requirements of the village school

and the township high school. The Board also voted a levy to the full limit of the law for school purposes. New members on the board are: Dist. No. 2, O. A. Stein; No. 8, Mr. Brinker; No. 9, L. A. Haring; No. 13, John Dardorf.

Nelson Koontz and Wm. Wise have purchased the W. G. Johnston farm. It will be divided.

C. C. Foster has bought the Peter Trill property in the village.

Rumor has it that this place will get the N. O. T. Co.'s line to Canton.

D. F. Berger, Clint W. Cline and L. B. Myers of Akron attended Mr. Rohrer's funeral here Sunday. Other Sunday visitors were Grace Sowers, Mayne Gorman of Akron and Geo. Moitz of Canton.

About 40 of the young people surprised Arlin Koontz last Saturday evening. It was her 21st birthday. The evening was spent in general sociability.

The long looked for coal prospectors have arrived and are drilling on the F. Boettler farm.

Mrs. A. A. Koontz returned from her visit in New York city last Thursday.

Township schools will close next Friday.

IN MEMORIAM.

Resolutions adopted by the teacher and patrons of Sub. District No. 9, Green township, Summit county, on the death of Isaac B. Rohrer.

We, the undersigned, adopt the following resolutions:

Whereas, The austere and unfeeling hand of death has invaded our district and taken from among us, our esteemed friend and patron, Isaac B. Rohrer, and

Resolved, That in his death the community loses an ardent, effective and sincere neighbor, his friends, a true and faithful companion, and his family a kind, free and loving husband and father, and

Whereas, It is right and proper that the living should pay to the dead an appropriate tribute of respect, therefore be it

Resolved, That the teacher and patrons of said school, that we extend to the bereaved family and friends of the deceased in this their time of affliction, our heartfelt sympathy and condolence, and be it further

Resolved, That we publish these resolutions and that a copy thereof be pre-

STUART'S DYSPEPSIA TABLETS.

Give Perfect Digestion, Sound Sleep Strong Nerves.

A Popular Remedy For Dyspepsia Which Has Made Many Remarkable Cures.

The spring of the year is the time for blood purifiers. It is the season when we think we must dose ourselves with sarsaparilla, bitters and the endless list of so-called blood purifiers and nerve tonics.

As a matter of fact, there is but one possible way in which to purify the blood and that is, through the stomach and bowels.

Pure blood results from wholesome food thoroughly digested. Impure blood results from poor digestion and assimilation. When the stomach refuses to work properly the food remains too long a time, fermenting, forming gases, shown by sour, bitter taste in the mouth, bloating and belching of gas, and distress and discomfort generally. Poor blood, weak nerves, sleeplessness and a general don't care feeling can always be traced to imperfect digestion.

This is the reason why Stuart's Dyspepsia Tablets are superior to all other spring medicines and blood purifiers. They give perfect digestion, the food does not lie in the stomach for hours. They give a vigorous appetite, sound sleep, strong nerves, and wholesome food well digested makes pure blood, and in no other way can the blood be purified. The idea that a medicine, in itself, will purify the blood when the stomach and digestive organs are out of order is nonsense. Stuart's Dyspepsia Tablets are used by thousands in preference to "bitters," "after dinner pills" and "blood purifiers" because they remove the cause of the impure blood, and you do not have to take them forever to get results. Dyspepsia is an obstinate disease to cure and a remedy must be designed especially for it and nothing else. Cure-alls will not cure dyspepsia.

Dyspepsia Tablets are not claimed to cure everything or anything except dyspepsia and stomach troubles and for that it stands alone among patent medicines. Any one suffering from any trouble with their digestion will find these tablets will give immediate relief and a permanent cure.

Stuart's Dyspepsia Tablets are prepared by the F. A. Stuart Co., of Marshall, Mich., and sold by druggists everywhere at 50 cents per package. No dosing nor change of habits is required, they digest the food.

TWO

Weeks Longer Will N. O. T. Wait

For Franchise From Kent Council.

Four In Favor, and Two Against,

Requiring Three Meetings to Pass Necessary Readings.

(Special Correspondence.)

Kent, April 17.—While the N. O. T. Co. is certain of securing a franchise from the Kent Council, a long session last night, considering the application, resulted in the postponement of the final grant for two weeks. Manager L. E. Beilstein and Secretary C. F. Moore, of the N. O. T. Co., attended the meeting. Mr. Beilstein answered a number of questions relating to the application.

When the Council adjourned, shortly before midnight, all the members were made a committee to discuss the application for a franchise and report to Council at an adjourned meeting tonight.

The ordinance granting the franchise has not yet been placed on its first reading, but this will be done tonight. Four votes will be in favor of it and two against, but as it requires three readings, and rules cannot be suspended unless five votes sustain the motion to do so, it will be necessary to hold two more meetings before the ordinance is passed. Those members in favor of granting the franchise are: Messrs. W. J. Braddock, M. G. Garrison, J. B. Miller and C. E. Watts; opposed, T. A. McMann and A. Dykes.
